

# Instanta SureFlow

## Counter Top Slimline

### Boiling water from a slimline unit

#### Features and benefits

- Narrow width design to fit in areas with limited space, allowing instant access to high-quality boiling water.
- Generous tap clearance to allow the user to fill taller pots.
- Integral filter monitor.
- High-quality, heavy-duty draw-off tap and long-life Incoloy® elements guarantee longevity.
- Stainless steel drip tray included.
- Dual safety protection against overflowing and boil dry to ensure user safety.
- Basic fault self-diagnosis with LCD read out to make sure your boiler is always performing to the highest standard.
- Easy access for service and cleaning guarantees convenience.

#### Capacities

13 litre.

#### Power rating

3kW @ 230V.

#### Temperature settings

- Factory set to operate at 96°C.
- Adjustable boiling temperature set-point.

#### Construction

- High quality brushed stainless steel case.
- High quality stainless steel heating chamber.
- Low voltage switching.
- Two safety cut-outs.
- Well insulated for minimal heat loss and energy use.

#### Warranty

Two year warranty.

#### Installation

Easy to install on a stable worktop.

#### Plumbing

Rear supply connection. Designed for a direct connection to a potable cold water supply using the 1.5 metre (3/4" BSP) food quality hose supplied. Choice of rear (optional additional kit) or front overflow/waste as standard.

#### Electrical

Fitted with 1.75 metres of cable and a 13 amp moulded plug.
