

GSF

GAS SINGLE FRYER

Powerful, robust and reliable, the Parry GSF natural gas pedestal fryer is an essential for modern commercial catering establishments. The large 12 litre oil capacity and the ability to fry up to 56kg of chips every hour make this fryer perfect for takeaways, restaurants, schools and other businesses requiring both high quality and output. Made from sturdy stainless steel and featuring simple thermostatic controls and drain valve, the fryer is easy to use and clean.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
